

TALLYHO JUPITER:

Bay Trakehner stallion: Born 28/11/1994. 16.2hh.

Registered ACE.

Stud Fee: \$2200.00 incl GST. Chilled semen LFG.

At just under 3 months of age Jupiter received 74% for movement and 74% for conformation from Dr. Ramsauer during the ACE classification tour for 1995.

Later under the competent hand of Shane Ackerley Jupiter went to Prix St. George and Intermediaire II, whilst being trained for his first appearance at Prix St. George level. Since receiving the stallion to further his stud career, Jupiter has been a schoolmaster and excellent sire and his bloodlines have been described internationally as rare and beautiful.

With one exception – Tallyho Stolichnaya – Jupiter's oldest foals are 2y.o. with great potential, size, movement and temperament.

Jupiter's dam Tallyho Matilda is a daughter of the outstanding 'Kassiber', who was an upper level dressage stallion for the Hameleschenburg stud in Germany, then exported to Australia, where he won the National Eventing Championships.

Jupiter's temperament and rideability are a strong influence of his sire Korritt imp., which he in turn has passed to his offspring.
