

# Wingham Eventing Club Cross Country Training Competition

**Sunday 12<sup>th</sup> June 2011**

**Bellview Park, 151 Kardinia Road, Wingham  
Closing Date for Entries Monday 6<sup>th</sup> June**

Competition starts at 9am with a guided course walk which will include instructions and rules for riding. *Note:* There will be no penalty for refusals (but time faults will be added) nor will there be any elimination after three refusals, as the rider can move on to attempt the subsequent fence. Riders cannot attempt an obstacle not included in the course at the level of the round in which they have started. Show jumps will be incorporated within the cross country course and any fall of rail/s will also be penalised by the addition of time faults. The winner of each class is the one or pair closest to optimum time. No watches are allowed during any round.

Classes: 1 Encouragers (45cm) 2 Newcomers (60cm) 3 Introductory (80cm) 4 Preliminary (90cm)

Entry fees: Individual rounds - \$20 for 1 round, or \$35 for two rounds. Each horse may enter 2 individual rounds at either the same or consecutive levels. If two rounds are completed at the same level, the round with the lesser time penalties will be the competitive round.

Pairs rounds - \$30 per pair. An additional round may also be ridden as a Pair of Riders. Pairs must complete the same jumps (at the same level) but not jump any fence together. The second rider starts 2 minutes after the first rider, with the time taken calculated from the first horse leaving the Starter's Box to the second horse crossing the Finish.

Prizes: for Junior and Senior riders for individual and paired rounds.

All participants must be members of either the EA or Wingham Eventing Club. Membership application for WEC can be included with entry. Canteen will operate. Camping is available at Bellview Park, no power.
